Subject: media inquiry on Colorado spill

Hello,

The Region 8 Office is unable to tell me if today's 3 p.m. MT press update on the Animas River spill is a live photo opportunity or a phone/online update only? If the press conference is open to cameras, where will it be? They don't know. The regional media contact's vm is full, so I can't leave a message.

Also, Colorado's governor has told us a decision on when the river will reopen will be made today, but the Region 8 office does not know if that is the case. Can you tell me if that is true? Other reports have said it will be tomorrow?

Thank you,

Diane Duthweiler
